5. Matches will commence at 7.30pm on the date scheduled. Substitutions must be of an equal standard (line/box) as the player being replaced but BOTH team captains must be informed and approve before play commences. If in doubt please consult the tournament Referee, Frank Dennehy at 087 2214017. The tournament committee will rule on any matter requiring adjudication, (Frank Dennehy, Charlie Keppel, Donal Byrne).

6. In the event of someone turning up late their first match should not be started in full more than 10 minutes after the other 2 pairs have started as this would put the matches out of sync. In this case the team with the late player must concede the first 2 games after 20 minutes (7.50pm), 4 games after 30 minutes (8pm) and full max 6 games due to a no show (8.10pm) (awarding the full 9 games would be unfair to the other teams) In addition the offending team will be docked 3 points/games for each match missed from their final total as punishment for a player not turning up. Captains please note.
 7. If a player does not turn up at all and a sub cannot be obtained the team shall forfeit all matches involving that player, with a score of 6 to minus 3. This would add up to 18 to minus 9 on the night for the full three matches so you see we do not look kindly on any one player not bothering too turn up. In EXCEPTIONAL circumstances the competition committee may listen to an appeal if exceptional circumstances were responsible for the player not turning up. The Competition Committee s decision shall be final.
- Team Captains are strongly advised to text their players on the day of matches to remind and confirm**
