## RULES

### **1. Tournament Format:-**

**There are 6/7 pairs in each division of this tournament. In the groups each pair will play each other once, the best of three sets, tie breaks in the first two sets if necessary.**

### **2. Points System:-**

**A point will be awarded for each set won (Results 2-0 or 2-1). The two pairs with the highest points total at the end of the Group stage will go into the final. In the event of a tie between two pairs the winner of the match between those pairs shall decide the winners. If there is a three way tie the results involving just those teams will decide the outcome.**

### **3. Rearranging Fixtures/Substitutes.**

**All fixtures will be arranged for Monday thru Friday. The onus is totally on you to contact both your partner and your opponents to rearrange any fixture and to ensure a court is available and booked. No fixtures are to be rearranged with less than 48 hours notice and a walkover given or a substitute used instead. In the case of a substitute being obtained, it is the responsibility of the party who cannot play to do the organizing and to ensure the sub is of an equal or lesser standard. In addition only one member of a pair may be substituted in any one match. In the Finals substitutes must be pre-approved by a member of the TOURNAMENT committee ( Frank , \_\_\_\_\_, \_\_\_\_\_ ). If in doubt phone Frank at 01 2214017(work) or 087 2904472 (mobile). If a substitute is not obtained then the game is forfeited and the unavailable player should inform the other three players involved by 6pm on the day of the game. Any player failing to show up for a game will face disciplinary action.**

**Any rearrangement of fixtures should be noted on the Fixture sheet in the clubhouse. This will allow others to note the freeing up of a court, Monday to Friday, which then can be booked by others rearranging their fixtures. All rearranged matches must be completed by the weekend following unless other arrangements have been pre approved by the tournament committee.**

**We are drawing up the fixtures such that the a court is free every night for re-arranging fixtures (7pm or 8.30pm only). This court will also be available to people not playing in the tournament to book and must be prebooked or can be used on a first come basis, tournament match or not.**

### **4. Trophies & Presentation Function:-**

**The three Finals will all be played on the same night to be arranged.**
